

## WELLNESS SPECIALIST SINCE 2005

Sunspa Benelux is a well-known name in the wellness industry with nine locations in the Netherlands and Belgium.

### ABOUT THE FOX ELITE SERIES

With a Fox Elite Series jacuzzi, you can enjoy ultimate luxury and comfort during your home wellness experience. Each Elite Series model is using the most innovative technologies.

All Fox Elite Series jacuzzis are built with the highest quality components and materials. Every model is equipped with the latest SPA touchscreen controls and special LED lighting in the waterfall, jets, and fountain. The extra massage pump ensures a perfect hydrotherapy experience in your Fox Elite Series spa.

For the ultimate relaxation, you can connect via WiFi or Bluetooth to enjoy your favorite music. The four full-range 60W waterproof speakers provide outstanding sound quality, delivering crisp highs and deep bass. Each Fox Elite Series spa also comes with a subwoofer and Bluetooth connectivity for seamless pairing with your music device.

# CONTROL SYSTEM

All Fox Elite Series models are equipped with a Balboa control system, a leading brand in spa technology that continuously optimizes user-friendliness.

Balboa offers various pre-programmed settings to maximize efficiency while keeping energy consumption low. Additionally, the water filtration system can be customized to your preference, operating fully automatically for ease of use.

## CABINET COLORS

The cabinet of all Fox Elite Series models is made from composite, a durable, weather-resistant, and low-maintenance material. Available colors include:

Palm Black

Ancient Gray

## SHELL COLORS

The shell of all Fox Elite Series models is made from high-quality Aristech Acrylics. Below, you can find the available color options:

Silver  
Marble

Pure

Odyssey

## UNIQUE HYDROJET FEATURES

AIR JETS

These jets create thousands of tiny bubbles that make your body tingle

POINT JET

Point jets have a therapeutic effect, ideal for back, neck and shoulders

MINI JETS

The Mini Jets have a therapeutic effect, ideal for the back, neck and shoulders

MIRO JET

This nozzle produces a strong centrifugal jet, ideal for massaging feet and legs

DICO JET

This jet provides a good massage for the back and shoulders

ROTA JET

This nozzle produces a centrifugal jet that feels like a hand massage

JUMBO JET

Fast flowing water creates a powerful massage jet

MASSAGE JET

The principles of this jet provide a highly rotating massage

14 PORT MASSAGE JET

Adjustable pressure, deep massage, relaxation, and hydrotherapy benefits.

## HYDROTHERAPY MASSAGE

Our Fox Elite Series models are specifically designed for hydrotherapy, featuring powerful massage jets and an additional massage pump for a deep and rejuvenating experience.

Each seating and lounge area is equipped with luxurious stainless steel LED-lit jets, strategically placed to target key pressure points such as the neck, back, shoulders, and feet. This helps improve blood circulation, boost metabolism, and relieve muscle and joint pain.

The massage not only relaxes your muscles, but the combination of warm water, weightlessness, and hydrotherapy jets creates an intense feeling of relaxation.

## SPA TOUCH4 CONTROL SYSTEM

The Fox Elite Series jacuzzis feature the latest Spa Touch4 control system from Balboa®. This system ensures an intuitive and user-friendly operation with a clear and modern interface.

The Spa Touch4 is the first touchscreen control system for spas on the market. This allows you to easily and quickly adjust all spa functions with just a touch.

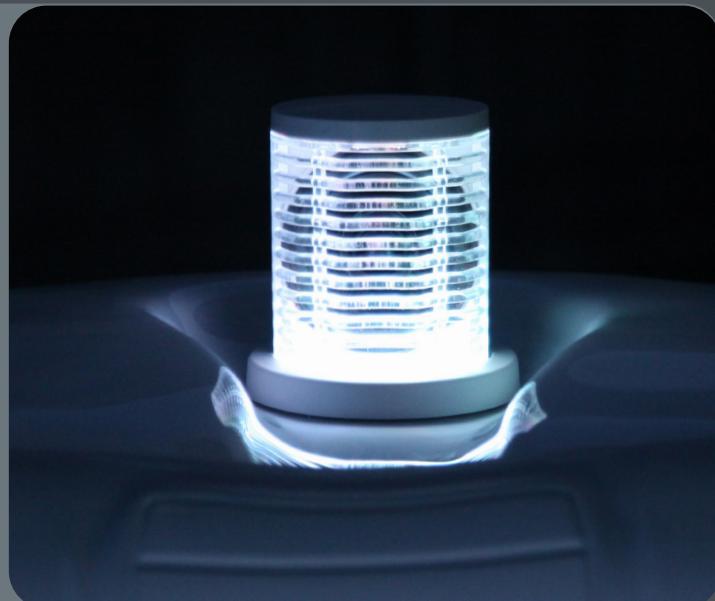

From filter cycles to pump control and LED lighting, everything can be adjusted effortlessly. The touchscreen is also specially designed for wet hands, allowing you to operate all settings directly from inside the spa.

## SUBWOOFER SOUND SYSTEM

A Fox Elite Series jacuzzi takes enjoying music in your spa to a whole new level. The four full-range 60W waterproof speakers provide an exceptional audio experience, delivering crisp highs and deep bass sounds.

The system comes standard with an amplifier for extra power and a subwoofer to emphasize deep bass tones, ensuring unparalleled sound quality during your spa session.

You can connect via Bluetooth or WiFi to stream and play your favorite music directly from your phone or tablet.

## POWERFUL FILTRATION SYSTEM

Thanks to a newly developed filtration system, your spa water is optimally purified. The open skimmers ensure a continuous water flow, allowing the filtration process to run smoothly and efficiently.

The twisted filter fins create a water vortex, accelerating the flow toward the filter. This results in faster filtration and cleaner water.

Cleaning the Fox Elite Series filters is also incredibly simple. The filters can be easily detached and rinsed, making maintenance effortless.

## FOX ELITE SERIES PILLOWS

Made from high-quality, water-resistant materials, they stay comfortable and supportive even after prolonged use. The plush cushioning gently cradles your head, allowing you to fully unwind while enjoying the soothing warmth of your spa.

Whether you're indulging in a hydrotherapy massage or simply floating in bliss, these pillows enhance your wellness experience by relieving tension and promoting deep relaxation. With the Fox Elite Series pillows, every spa session becomes a luxurious retreat.

Sit back, relax, and enjoy pure comfort!

## ULTIMATE RELAXATION, EVEN IN THE DARK

The Fox Elite Series jets are designed to provide an unmatched hydrotherapy experience, day or night. These powerful massage jets target key pressure points, relieving tension in your neck, back, and shoulders. Thanks to the built-in LED lighting, the jets create a mesmerizing glow, transforming your spa into a soothing oasis even in the dark. The gentle illumination enhances the ambiance, while the warm water and targeted massage improve circulation, muscle recovery, and relaxation. Whether you're unwinding after a long day or enjoying a night under the stars, the Fox Elite Series ensures a luxurious, therapeutic spa experience every time.

## ULTIMATE CONTROL

The Fox Elite Series jacuzzis are designed for a perfect spa experience, thanks to the advanced Air Control and Water Diverter systems. These features allow you to effortlessly adjust the water flow and air pressure, creating a personalized hydrotherapy session. Whether you prefer a gentle, soothing massage or a powerful, deep-tissue treatment, you have full control over your relaxation.

Built with high-quality materials and precision engineering, these systems ensure consistent performance and durability. The smooth operation guarantees that every session delivers the perfect balance of air and water, providing the ultimate in luxury, comfort, and wellness.
